

PRIVACY POLICY

Effective Date: September 4, 2026

Last Updated: September 4, 2026

Combat Sports Tech LLC (“Combat Sports Tech,” “we,” “us,” or “our”) respects your privacy and is committed to protecting the information entrusted to us.

This Privacy Policy explains how information is collected, used, processed, stored, disclosed, and protected when you download, access, register for, or use the **Combat Sports Analysis** mobile application and its related services (collectively, the “Service”).

By accessing or using the Service, you acknowledge that you have read and understood this Privacy Policy.

1. AGE REQUIREMENT AND CHILDREN'S PRIVACY

Combat Sports Analysis is intended for individuals **13 years of age or older**.

You must be at least 13 years old to create an account, subscribe to, access, or use the Service.

The Service is not intended for children under 13, and Combat Sports Tech does not knowingly seek to collect personal information from children under 13.

If we become aware that personal information from a child under 13 has been collected in circumstances where such collection is not legally permitted, we will take reasonable steps to delete such information.

2. INFORMATION WE COLLECT AND ACCESS

To operate and administer the Service, Combat Sports Tech may collect and access limited account and administrative information.

Depending on how you use the Service, this information may include:

- Name;
- Email address;
- Phone number;
- Account identifier;
- Authentication information; and
- Information necessary to administer your account and subscription.

Combat Sports Tech does **not have routine access to view individual users' private training and performance information** entered or uploaded through the application.

This may include:

- Workout and training logs;
- Performance ratings;
- Questionnaire responses;
- Sparring information;
- Training history;

- Performance statistics;
- Training goals;
- Injury information;
- Fatigue and recovery information;
- Nutrition information;
- Notes;
- Uploaded training and sparring videos; and
- Other private training or performance information submitted through the application.

Such information may be automatically stored and processed by the technical systems and service providers required to operate the Service.

3. ACCOUNT INFORMATION

When you create, access, or maintain an account, we may collect information necessary to establish and administer your account.

This may include:

- Name;
- Email address;
- Phone number;
- Account identifiers; and
- Information required for authentication and account management.

We may use this information for legitimate administrative and operational purposes, including account management, subscription administration, customer support, security, and important Service communications.

4. TRAINING AND PERFORMANCE INFORMATION

Combat Sports Analysis allows users to record information relating to training, athletic performance, and combat-sports activities.

Depending on the features you use, this may include:

- Workouts;
- Training sessions;
- Combat-sports activities;
- Performance ratings;
- Questionnaire responses;
- Sparring information;
- Training goals;
- Training frequency;
- Performance statistics;
- Training history;
- Fatigue information;
- Recovery information; and
- Other information you choose to record.

The application may automatically process this information to provide features such as statistics, graphs, averages, performance trends, and training-history functionality.

Combat Sports Tech does not have routine access to view individual users' private training and performance information.

5. INJURY, FITNESS, RECOVERY, AND NUTRITION INFORMATION

Users may voluntarily enter information concerning injuries, physical condition, fatigue, recovery, fitness, nutrition, or related subjects.

Depending on applicable law and the nature of the information, certain information may constitute sensitive personal information.

Such information is processed to provide the functionality selected and requested by the user.

Combat Sports Tech does not have routine access to view individual users' injury, recovery, fitness, or nutrition information entered into the application.

Combat Sports Analysis is not a healthcare provider. Information stored or processed through the Service is not intended to constitute a medical record, medical diagnosis, or medical treatment.

6. VIDEOS, IMAGES, AND USER CONTENT

The Service may allow users to upload training videos, sparring videos, images, notes, and other materials.

Combat Sports Tech does not have routine access to view users' uploaded training or sparring videos.

Uploaded content may nevertheless be stored, transmitted, and technically processed by the infrastructure and service providers necessary to provide the application's functionality.

Combat Sports Tech does not claim ownership of videos or other content that users own and upload through the Service.

Technical service providers may process or access uploaded files where technically necessary for purposes including:

- Storage;
- Transmission;
- Application functionality;
- Infrastructure maintenance;
- Security;
- Troubleshooting;
- Data recovery; and
- Compliance with applicable legal obligations.

7. CONTENT CONTAINING OTHER INDIVIDUALS

Training and sparring videos may contain other individuals, including training partners, coaches, competitors, or spectators.

You are responsible for ensuring that you have obtained any consent, permission, release, or other lawful authorization required to record, upload, store, or process content containing another individual.

You must not upload content that violates another person's:

- Privacy rights;
- Intellectual-property rights;
- Publicity rights;
- Confidentiality rights; or
- Other legal rights.

8. HOW INFORMATION IS PROCESSED

Although Combat Sports Tech does not have routine access to view users' private training information, the application and its underlying technical infrastructure may automatically process such information to provide requested functionality.

Processing may include:

- Saving workouts and training sessions;
- Calculating statistics;
- Generating graphs and reports;
- Calculating averages;
- Displaying performance trends;
- Storing questionnaire responses;
- Maintaining training history;
- Storing videos and uploaded content;
- Synchronizing information where applicable;
- Maintaining account functionality; and
- Providing other features requested by the user.

This processing is necessary to operate and deliver the Service.

9. PAYMENT AND TRANSACTION INFORMATION

Combat Sports Analysis may use Stripe, Apple, Google, or another authorized payment provider to process subscriptions and payments, depending on the applicable purchase method.

Payment providers may collect information necessary to process transactions, including:

- Payment-card information;
- Billing information;
- Transaction information;
- Payment identifiers; and
- Fraud-prevention information.

Combat Sports Tech does not necessarily receive or store complete payment-card details.

We may receive limited transaction information, such as:

- Subscription status;
- Payment status;
- Amount paid;

- Transaction date; and
- Transaction identifier.

Payment information processed directly by a third-party payment provider is subject to that provider's applicable privacy policy and terms.

10. DEVICE AND TECHNICAL INFORMATION

The application and its supporting technical service providers may automatically collect or process certain technical information.

Depending on the technologies incorporated into the Service, this may include:

- Device type;
- Operating system;
- Application version;
- IP address;
- Application or device identifiers;
- Crash information;
- Diagnostic information;
- Technical logs; and
- Application-performance information.

This information may be used to:

- Operate and maintain the Service;
- Maintain security;
- Detect and prevent abuse;
- Identify technical issues;
- Troubleshoot errors;
- Improve reliability; and
- Monitor application performance.

11. HOW WE USE INFORMATION

Combat Sports Tech may use the limited information available to us for legitimate business, operational, legal, and security purposes.

These purposes may include:

- Creating and administering accounts;
- Managing subscriptions;
- Providing account-related services;
- Providing customer support;
- Maintaining security;
- Detecting and preventing fraud or abuse;
- Resolving account-related issues;
- Communicating important information about the Service;
- Improving reliability and functionality;
- Complying with applicable laws and legal obligations; and
- Protecting Combat Sports Tech, our users, and the Service.

12. THIRD-PARTY SERVICE PROVIDERS

Combat Sports Analysis may use trusted third-party service providers to operate and support certain aspects of the Service.

These providers may provide services such as:

- Payment processing;
- Hosting;
- Cloud storage;
- Database infrastructure;
- Authentication;
- Analytics;
- Push notifications;
- Cybersecurity;
- Technical monitoring;
- Crash reporting; and
- Other application infrastructure.

Third-party providers may process information as necessary to provide their services.

Their access to information is governed by applicable contractual obligations, security controls, and legal requirements.

13. SALE OR SHARING OF PERSONAL INFORMATION

Combat Sports Tech LLC does **not sell users' personal information for money**.

We also do not sell users' private:

- Workout information;
- Performance data;
- Questionnaire responses;
- Injury information;
- Nutrition information; or
- Uploaded training videos.

If our practices concerning the sale or sharing of personal information materially change, this Privacy Policy will be updated and any rights required by applicable law will be provided.

14. DATA RETENTION

We may retain information for as long as reasonably necessary to operate the Service, provide requested features, comply with legal obligations, resolve disputes, maintain security, and satisfy legitimate operational requirements.

Retention periods may depend on:

- Whether your account remains active;
- The type and nature of the information;
- Technical and operational requirements;
- Payment and accounting requirements;
- Security and fraud-prevention requirements;
- Applicable legal obligations;
- Disputes; and

- Other legitimate business requirements.

When information is no longer reasonably required, it may be deleted or anonymized where appropriate and technically feasible, subject to applicable legal and operational requirements.

15. SUBSCRIPTION CANCELLATION AND ACCOUNT DELETION

Cancelling a Combat Sports Analysis subscription generally stops future subscription renewals in accordance with the applicable subscription terms.

Cancelling a subscription does **not automatically delete your account or information** associated with the account.

Similarly, uninstalling the Combat Sports Analysis application from your device does not necessarily delete your account or stored information.

Where applicable law provides a right to request deletion, users may submit a valid deletion request in accordance with Section 16 of this Privacy Policy.

16. DATA DELETION AND PRIVACY RIGHTS

Depending on your location and applicable privacy laws, you may have certain rights regarding your personal information.

These rights may include the right to:

- Request access to personal information;
- Request correction of inaccurate information;
- Request deletion of personal information;
- Request information regarding how personal information is collected and used;
- Object to or restrict certain processing where applicable; and
- Exercise other privacy rights provided by applicable law.

Combat Sports Tech will process valid privacy requests in accordance with applicable law.

Certain information may be retained where permitted or required by law, including information necessary for:

- Payment and accounting records;
- Fraud prevention;
- Security;
- Legal compliance;
- Resolving disputes; or
- Establishing, exercising, or defending legal claims.

17. DATA SECURITY

Combat Sports Tech takes the privacy and security of user information seriously.

We use, and require appropriate service providers to use, reasonable administrative, organizational, and technical safeguards designed to protect information against unauthorized access, loss, misuse, alteration, or disclosure.

However, no mobile application, internet transmission, server, database, cloud-storage system, or electronic storage method can be guaranteed to be completely secure.

You are responsible for maintaining the security of your account credentials and the devices you use to access the Service.

18. CHILDREN'S PRIVACY

Combat Sports Analysis is not intended for children under 13.

We do not knowingly seek to collect personal information from children under 13.

If we become aware that personal information has been collected from a child under 13 in circumstances where such collection is not legally permitted, we will take reasonable steps to delete the information.

19. CALIFORNIA PRIVACY RIGHTS

California residents may have certain rights under applicable California privacy laws.

Depending on the circumstances and applicable law, these rights may include the right to:

- Know the categories of personal information collected;
- Know how certain personal information is used or disclosed;
- Request access to certain personal information;
- Request correction of inaccurate personal information;
- Request deletion of certain personal information;
- Opt out of certain sales or sharing of personal information;
- Limit certain uses or disclosures of sensitive personal information where applicable; and
- Exercise applicable privacy rights without unlawful discrimination.

The specific rights available to you depend on applicable law and the circumstances of your request.

20. USERS OUTSIDE THE UNITED STATES

Combat Sports Analysis may be made available to users located outside the United States.

Information may be processed or stored in the United States or other countries in which Combat Sports Tech or its service providers operate.

Privacy and data-protection laws vary between jurisdictions.

Where required by applicable law, we will implement appropriate measures relating to the processing and international transfer of personal information.

21. CHANGES TO THIS PRIVACY POLICY

We may update this Privacy Policy from time to time to reflect:

- Changes to Combat Sports Analysis;
- Changes to our technical infrastructure;
- Changes to service providers;

- Changes to our business practices; or
- Changes in applicable laws and regulations.

The “**Last Updated**” date at the beginning of this Privacy Policy indicates the most recent revision.

Where required by applicable law, we will provide appropriate notice regarding material changes.

22. CONTACT US

If you have questions regarding this Privacy Policy, your personal information, your account, or your privacy rights, please contact **Combat Sports Tech LLC** through the official support channel provided within the Combat Sports Analysis application or on the applicable official website.

By accessing or using Combat Sports Analysis, you acknowledge that you have read and understood this Privacy Policy.
